Library is automated with digital facilities using an Integrated Library Management System (ILMS), adequate subscriptions to e-resources and journals are made. The library is optimally used by the faculty and students

AN OVERVIEW

The library is an essential component of education at PGGC-46, as it provides access to information, resources and services that support the academic needs of students and staff. Spread over an area of approximately 926.97sq. mtrs, the college library also plays a key role in fostering a culture of learning, inquiry and innovation within the institution and beyond.

FUNCTIONS OF THE LIBRARY

- Developing and maintaining collections of books, journals, databases, media and other materials that reflect the curricula and research interests of the institution and its users.
- Providing physical and digital spaces that facilitate individual and collaborative learning, teaching and research activities.
- Offering instruction and guidance on information literacy, research skills, citation management and academic integrity.
- Collaborating with faculty and other stakeholders to integrate library resources and services into the curriculum and research projects.
- Participating in institutional initiatives and networks that enhance the quality and impact of higher education and scholarship.

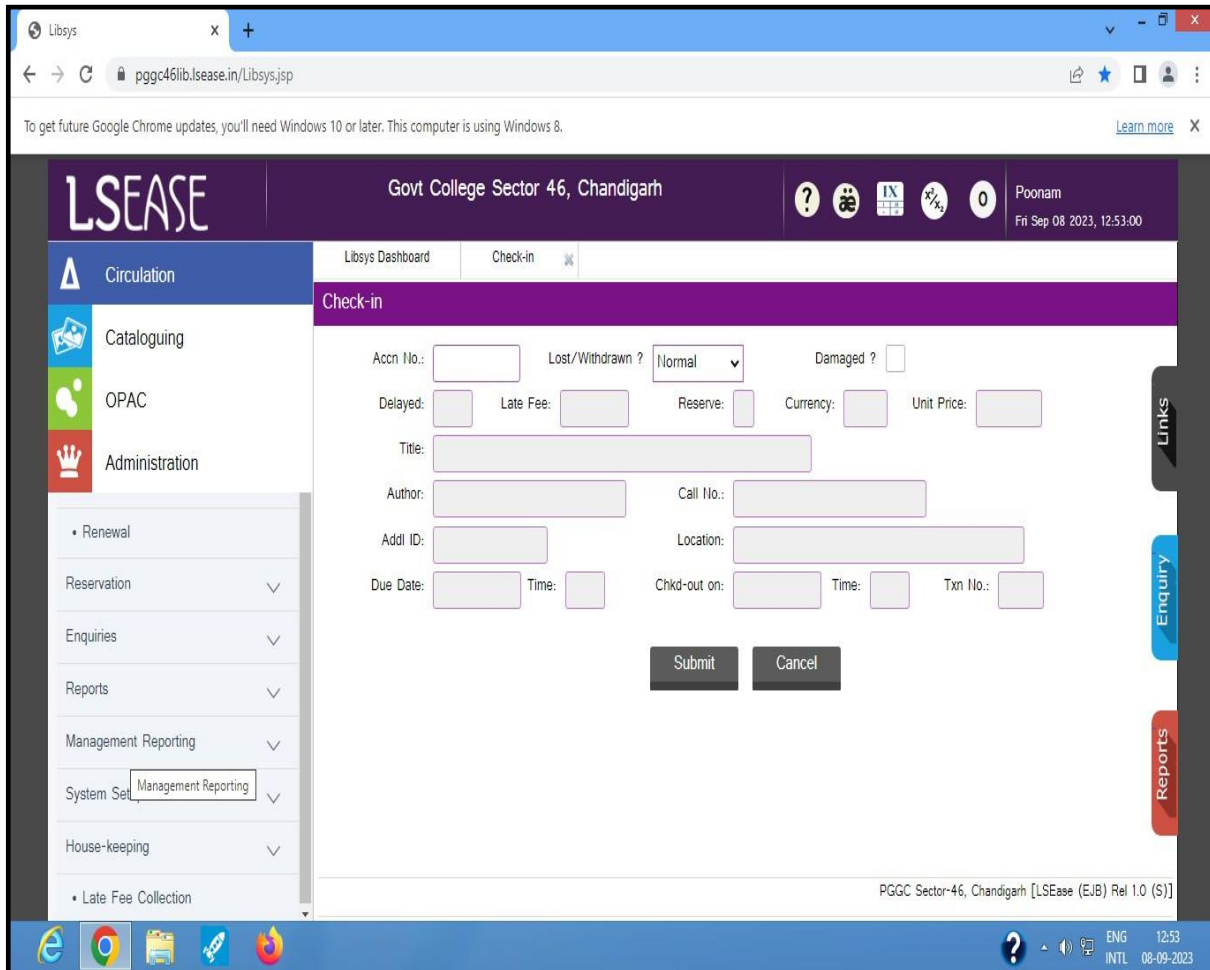

FEATURES OF THE COLLEGE LIBRARY

- Open from 9:00A.M.to–4:00P.M.on all working days.
- Networked with INFLIBNET/N-LIST.
- Seating Capacity-250 readers
- Newspapers and magazine section with an area measuring 193.90sq. mtrs.
- Circulation section with an area measuring 328.54sq.mtrs.
- Reference section with an area measuring 122.65sq.mtrs.
- Technical section with an area measuring 28.52sq.mtrs.

- Library layout –Individual reading carrels. lounge area for borrowing and relaxed reading, IT zone for accessing e-resources
- Sign boards indicating different sections of the library.
- Reprography section for staff and students.
- Attached printers with the computers.
- Previous years' question bank facility for the staff and students
- Usage of mobile is restricted in the library.
- The Dewey decimal classification system is followed for the arrangement of books.
- CCTV Cameras installed to maintain discipline.
- Centrally air-conditioned.
- The library staff is available to assist users with any question or issues.
- Partially automated with Library Management Automation Software System (LIBSYS), the college library integrates different modules such as acquisition, cataloguing, circulation, serials and reports using the 2017 version of the said software. Automated in the year 2006, LIBSYS helps the library staff to perform various tasks efficiently and accurately and also provides online access to the library resources through a web interface and has many features including-
 - Support to various standards and formats such as MARC 21, AACR2, RDA, Z39.50, etc.
 - A user-friendly and customizable interface that can be adapted to different languages and preferences.
 - A powerful search engine that allows users to find the information they need quickly and easily.
 - A comprehensive reporting system that generates various statistics and reports on the library performance and usage
 - A security system that protects the library data and resources from unauthorized access and manipulation

Automating the college library with LIBSYS saves time and cost by reducing manual work and errors, improves the quality and consistency of the library data and services, enhances user satisfaction and experience by offering easy and fast access to the library information and above all, supports the digital transformation and innovation of the library.

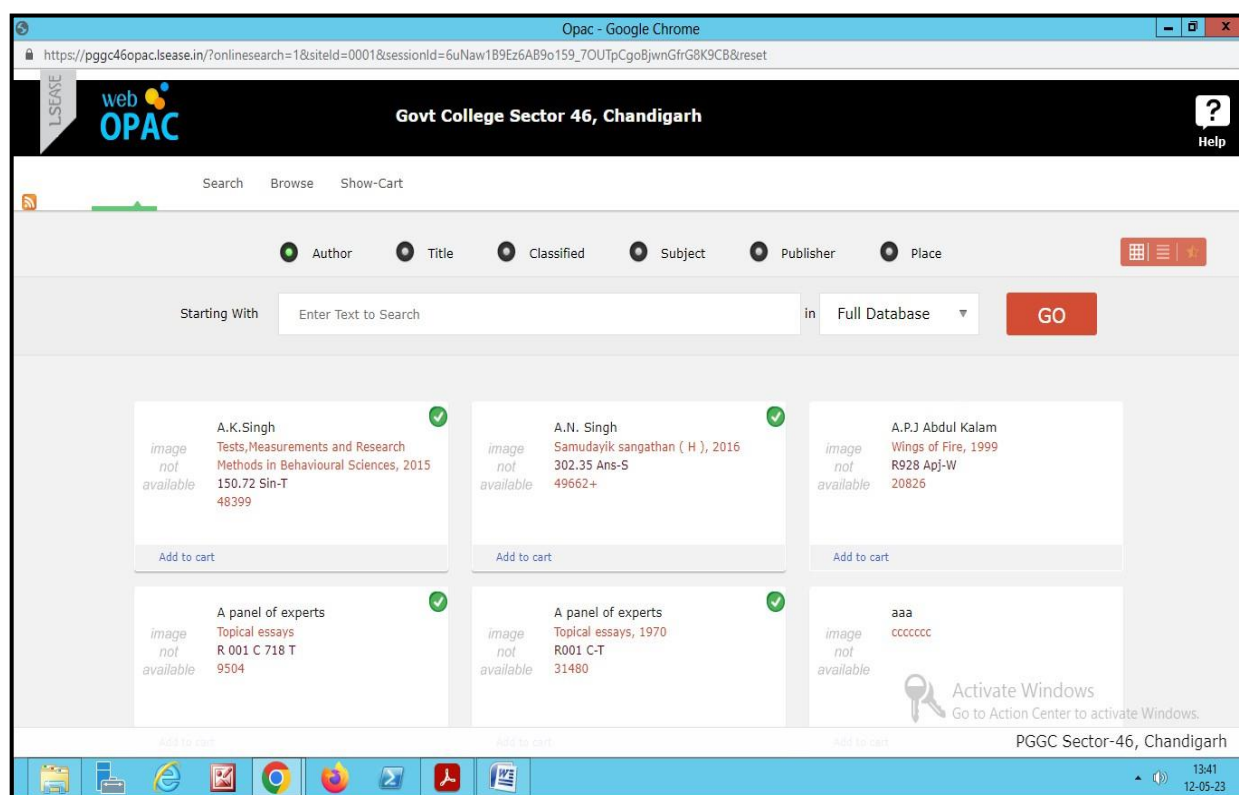

SCREENSHOT OF LYBSYS SOFTWARE

- An Online Public Access Catalogue (OPAC) system allows users to search and access the bibliographic records of the library's collection. OPAC is accessible through a dedicated terminal within the library premises. It offers various features and functions to help users find and retrieve the information they need, such as keyword search, advanced search, filters, sorting, browsing, reservation, renewal, and more. It also provides information about the availability and location of the items in the library, as well as links to online

resources such as e-books, e-journals, databases, etc. It serves as an essential tool for college students and faculty so that they can make the most of the library's resources and services.

Sub: Permission for purchase of books of Rs. 12000/- out of BBA Fund

Respected Madam

On the subject cited above and with reference to recommendation of Panjab University, Chandigarh and DHE Nominee inspection team visit to college regarding affiliation of BBA for the session 2021-2022.

Therefore you are requested to kindly allow to purchase text/reference books for BBA students out of BBA fund for Rs. 12000/- (Rs. Twelve thousand only) at the earliest so that the same can be intimated to the Panjab University as a partial fulfilment of their observation for extension of BBA affiliation for the session 2021-22.

Thanking you

INFLIBNET Centre. The authorized users from colleges can now access e-resources and download articles required by them directly from the publisher's website once they are duly authenticated as authorized users through servers deployed at the INFLIBNET Centre.

N-LIST: Four Components

The project has four distinct components, (i) to subscribe and provide access to selected e-ShodhSindhu e-resources to technical institutions (IITs, IISc, IISERs and NITs) and monitor its usage; (ii) to subscribe and provide access to selected INDEST e-resources to selected universities and monitor its usage; (iii) to subscribe and provide access of selected e-resources to Govt/ Govt-aided colleges and monitor its usage; and (iv) to act as a Monitoring Agency for colleges and evaluate, promote, impart training and monitor all activities involved in the process of providing effective and efficient access to e-resources to colleges.

The INDEST and UGC-INFONET are jointly responsible for activity listed at (i) and (ii) above. The INFLIBNET Centre, Gandhinagar is responsible for activities listed at (iii) and (iv) above. The INFLIBNET Centre is also responsible for developing and deploying appropriate software tools and techniques for authenticating authorized users.

Note: From Year 2014, N-LIST programme is subsumed under e-ShodhSindhu Consortium as college component. The colleges (except Agriculture, Engineering, Management, Medical, Pharmacy, Dentistry and Nursing) in India are eligible to get access to resources under N-LIST programme.
