ANNUAL REPORT

2018-2019

Dept of Environment Education

Plantation Drive

Department of Environment Education and DHARINI Environment Society in collaboration with NSS Wing of Post Graduate Govt. College Sector-46, Chandigarh organised a plantation drive in the college campus on 11th August, 2018. Mr. Vinod Aggarwal Deputy Mayor, Chandigarh was the Chief Guest for the occasion. A total of 100 saplings were planted which included Mango, Jamun, Patherchur, Giloe, Bhui Amla, and Neem. Principal of the college, Dr. J. K. Sehgal graced the occasion and motivated students to be more sensitive and compassionate towards environment protection. Members of the faculty and students from various streams participated in the event.

Rally on Ozone Day

A rally was organized to mark the “World Ozone Day” on Sept. 15, 2018 by Department of Environment Education and DHARINI Environment Society in collaboration with NSS Wing of Post Graduate Govt. College Sector-46, Chandigarh . About 150 students participated in the event. The students raised slogans on environment conservation and protection. The Principal Dr. J. K. Sehgal flagged off the rally. He also encouraged the students to make efforts in promoting a pollution free environment.

The rally started from the campus of Post Graduate Govt. College Sector-46 and covered the entire Sector 46. The Vice Principal of the college, Dr. Shashi Wahi motivated the students and spoke about the importance clean air.

Poster making and Slogan writing Competition

Department of Environment Education and DHARINI Environment Society in collaboration with NSS Wing of Post Graduate Govt. College Sector-46, Chandigarh organised an intra-college poster making competition.

Mrs. Arvinder Kaur, faculty in commerce was the judge for the poster making competition

Essay Writing Competition

An Essay Writing Competition was organised on 26th Sept. 2018 by department of Environment Education and DHARINI Environment Society in collaboration with NSS Wing of Post Graduate Govt. College Sector-46, Chandigarh. The theme of the essay writing was Save Energy. Students of different streams participated in the event. The essays were invited in all the three languages, English, Hindi and punjabi. The best three essays were awarded.

ACTIVITIE 2019-20

Inter College Environment Fest- 17.08.2019

In commemoration of Akshay Urja Diwas celebrations, Dept. of Environment Education of Post Graduate Government College organized an inter college event, on the theme: Impact of Akshay Urja In India. The event entitled “New Energy for Sustainable Environment” was organized on August 17th 2019, under the grant sanctioned by CREST, Chandigarh Administration. Non-conventional form of energy is a great asset, nature has bestowed upon us. Government of India has been taking various initiatives to promote, support and harness new forms of energy for a sustainable future. These efforts will make our country energy independent and boost our economy.

An inter college event with plethora of competitions including Poster Making, Rangoli Making, Face Painting and Power Point Presentation was organized in the college campus. Under Graduate and Post Graduate students from 15 different colleges of the tricity participated with great enthusiasm in the various competitions. An extension lecture by Dr. Madhuri Rishi, Chairman, Dept. of Env. Studies, Panjab University was the highlight of the event. Dr. Rishi an expert in the field of Geological Sciences dwelled upon the need of harnessing energy in tune with ecology. She stressed on the importance of the renewable sources of energy with special reference to water resources.

Principal of the college, Prof. Rosy Walia Joshi, Dean Mrs. Deepshikha, Vice Principal Dr. Shashi Wahi, were present on the occasion. Principal of the college congratulated and motivated students for their efforts. She stressed on adapting sustainable means of living and environment conservation. Faculty members of the Dept. of Env. Edu. , Dr. Ritu Sarsoha (HOD) and Dr. Amanpreet Kaur convened the programme. Prize winners of the different competitions were as following:

Poster Making

- Ist Prize: Urvashi MCM DAV 36
- 2nd Prize: DIVYA PGGC 46

- 3rd prize: SHIVANI PGGCG 11

Face Painting

- Ist Prize: RAJITA KAUSHAL MCMDAV 36
- 2nd Prize: RAMANDEEP PGGCG11
- 3rd prize: NAZIA PGGC 46

Rangoli Making

- Ist Prize: JASLEEN KAUR , GURSHARAN PGGCG 42
- 2nd Prize: PREETI, ANKITA GGSCW 26
- 3rd prize: BHAWNA, SHEFALI PGGC 46

Power Point Presentation

- Ist Prize: AKSHITA, RIDHI PGGCG 11
- 2nd Prize: AYUSHI , VIBHA GCCBA 50
- 3rd prize: UJJWAL SINGH, DANISH PGGC 46

Expert Talk by Shri Devinder Sharma

21/08/2019

Dept. of Economics and Dept. of Environment Education of Post Graduate Govt. College Sector-46, organized a sensitizing talk entitled “The Environmental Cost of Economic Growth”. The talk was delivered by Shri Devinder Sharma, an award winning Indian Journalist who is a Food rade Analyst with a worldwide impact. He was accompanied by Mr. Anil Sharma, Chairperson, NRIC. An expert, critical thinker and a respected analyst in this field, Shri Devinder Sharma shared his ideas and perspective on assessment and management of the reoccurring economic and environmental crisis which is highly acclaimed and adopted by govt. officials to policy makers. He intrigued the interest of students and initiated discussions on the aforesaid topic. Faculty as well as students of the college attended the session held on August 21st, 2019 at 11.00 am in the Multimedia Hall of the College.

Principal of the college Prof. Rosy Walia Joshi welcomed the guest speaker with a bouquet of flowers while Dean of the college Ms.Deepshikha presented the formal welcome address. Vice Principal Dr.Shashi Wahi also graced the occasion. Faculty members of Dept. of Economics, Ms.Vandana and Dr. Manisha Gaur convened the interactive session. Dr. Ritu (HOD) Dept.of Env. Edu. presented Vote of Thanks.

Tree walk

22/08/2019.

Can you tell one tree from the other? After this Sunday around 100 undergraduates studying at Post Graduate Government College in Sector 46 of Chandigarh sure could, thanks to the “tree walk” they took. The walk was organised by the Chandigarh Tree Lovers (CTL), a city based of environmentalists and botanists.

Dressed in their best the students explored their campus and discovered 35 species that grow there – from the ubiquitous north Indian varieties such as Sita Ashok, Amaltas, Ficus Decora, Baheda or Bibhtaki, Mango, Amla, Kusum, Teak, Shahtut, Jamun, Kikkar and Plumeria alba to the exotic Jackfruit, bottle palm, trumpet bushes and Bismarckia Palm. They were guided by a team of tree experts, led by founder member of the group retired IFS(Indian Forest Services) from Himachal Pradesh, Harsh Mitter.

The experts taught the students different ways to distinguish similar looking trees by examining their roots, leaves and structure. They were also primed about the benefits of each tree species. The students were also introduced to the most common trees found of Chandigarh, Mohali and Panchkula.

World Ozone Day

16/09/2019

World Ozone Day was celebrated in the college campus with great fervour. Department of Environment Education in collaboration with “Dharini” Environment Awareness Society of the college organised a Rally commemorating this day. Rally, with heavy participation of the Students and faculty members of the college, was flagged off by the Principal of the college Prof. Rosy Walia Joshi. Students and faculty members rallied through sector 46, raising slogans “ SAVE OZONE, SAVE ENVIRONMENT”. Protection of Ozone layer is prerequisite to existence of life on Earth. The motive of the rally was to generate awareness over this issue, highlight the importance of Ozone layer and how catastrophic its absence could be. The event was organised by **Ms. Arvinder Kaur Incharge (Dharini)** and **Dr. Ritu Sarsoha (HOD Env. Edu.)**

Swachh Diwali-Green Diwali

22/10/2019

Anti Cracker campaign on the theme of “Swachh Diwali- green Diwali” was organized with great fervor and enthusiasm by the Dept. of Environment Education of PGGC, Sector -46, Chandigarh. To begin the campaign, **poster making and slogan writing competition** was organized for the students of various streams on the theme of “Swachh Diwali- Green Diwali” on 22nd October 2019. Students came up with very interesting and engaging slogans. Around fifty Posters were made by students and best three were adjudged for first , second and third prize.

The **Oath** of not using crackers was administered by Principal of the college, Prof. Rosy Walia Joshi in the Porch of the college campus on 23rd October 2019. The motive of these activities was to sensitize the students, teaching and non-teaching staff members over the menace of crackers and air pollution as well as remind them of their duty towards their city, their country and environment.

Further, to interact with the masses as well as sensitize them about air and noise pollution caused by crackers, an **awareness rally-cum-campaign** was organized on 23rd October 2019. Students carrying posters and banners on aforementioned theme rallied through the roads of Sector 46. Principal of the college, Prof. Rosy Walia Joshi was present on the occasion. She flagged off the rally and applauded the efforts of the students and faculty. Faculty members of the Dept. of Env. Edu. , Dr. Ritu Sarsoha (HOD) and Dr. Amanpreet Kaur convened the whole programme.

National Workshop

25/11/2019

Department of Environment Education organized a One Day National Workshop on “Organic Farming & Waste Segregation” on 25th November 2019. RUSA sponsored workshop was conducted with main objective to disseminate information and knowledge on Solid Waste Segregation and disposal so that these methodologies are incorporated at household level. The workshop also aimed to build confidence and groom common populace on basic techniques and methods of organic farming which will go a long way in creating a sustainable and a healthy society.

The first part of the workshop was a lecture based on Importance of Waste Segregation in the Solid Waste Management of domestic waste by Dr. Geeta Arora. She highlighted that Segregation at source will help in separating out the recyclable and biodegradable waste to be send it for specific treatment or disposal. The activity based lecture trained the participants in efficient segregation and management of solid waste.

The second part of the workshop was Organic farming lecture cum demonstration by Mr. Rahul Mahajan, a well known Agricultural Entrepreneur. He laid the foundation of organic farming as an indigenous way of farming which needs to be revived. It is not only favourable to large scale farmers but could also be practiced at household levels. The lecture was followed by demonstration in the Herbal Garden on the easy ways to grow organic vegetables and an exhibition of different organic fertilizers and bio-pesticides. Principal of the college Prof. Rosy Walia Joshi addressed the faculty members of different colleges participating in the workshop and motivated the efforts being taken for promoting sustainable lifestyle. The Workshop concluded with valedictory and vote of thanks delivered by Dr. Ritu Sarsoha (HOD, Dept. Env.Edu.). The event was convened by RUSA Co-Ordinator Ms.Arvinde Kaur and Workshop Co-Ordinator Dr. Amanpreet Kaur.

Department of Environment Studies

Activities Report : 2020-21

Green Diwali

Dept. of Environment Studies in collaboration with Dharini "Environment Awareness Society" of the college organised online events to commemorate Green Diwali celebrations from 9th to 11th November. Two online competitions: Eco-friendly Décor And Slogan writing were organised to enliven the festive spirit among students. All the students were appreciated for their efforts.

Organic Sharing

Dept. of Environment Studies in collaboration with Dharini "Environment Awareness Society" of the college celebrated World Environment Day on 5th June 2021. To motivate and sensitise students towards their duty to protect and conserve environment, inter college Virtual Poster Making and Slogan Writing Competitions were organised on the theme of Environment Protection. Nearly 50 entries were received from different colleges. The event was organised by Dr. Ritu Sarsoha (HoD) and Dr. Amanpreet Kaur, faculty members of Dept. of Environment Studies.

The prize winning entries were as following:

Poster Making

First Prize: Kritika Goel, BCom I , GCCBA-50, Chd

Second Prize: NaziaAnsari, BA I, PGGC-46, Chd

Third Prize: Tanvi Saini, BSc I, Govt. Home Science College, Chd

Slogan Writing

First Prize: Komal Kakkar, BSc I, Govt. Home Science College, Chd

Second Prize: Shreya Guglani, BSc I, Govt. Home Science College, Chd

Third Prize: Mohit Kaushik, BSc I, PGGC-11, Chd

ENVIRONMENT EDUCATION Report 2021-22

1. Van Mahotsav was celebrated in collaboration with the NSS unit and 'Dharini,' the Environment Awareness Society of the college. A tree plantation on the college campus was also organised on July 15, 2021.
2. An event 'Akshay Urja Divas' was organised on August 25, 2021, by 'Dharini', the Environment Awareness Society and the Department of Environment Studies. Based on the theme-Impact of Akshay Urja in India, a plethora of competitions were organised at the Inter-college level including an online poster making competition, an online essay writing competition and an eco-rangoli competition (through offline mode). Nearly 50 entries were received from the students of different streams. The winners of the various events were:

Poster Making Competition

1. Nazia BA III First
2. Aastha BCom II Second
3. Mamta BA III Third

Essay Writing Competition

1. Bhumika Sharma — First
2. Ashnoor Kaur BCom II Second
3. Divya BCA II Third

Eco Rangoli Competition

1. Taruna BA III First
2. Anbarasi BA III Second
3. Santosi BA III Third

3. International Day for the Preservation of the Ozone Layer was celebrated on September 16, 2021. On this day, an Intra-college paper reading competition was organised on the theme "Ozone: the Saviour." Nearly 25 entries were received.

4. As a part of Wildlife Week Celebrations, an Inter-college competition on 'World Animal Day' was organised on October 04, 2021. The day is celebrated to spread awareness among the masses for raising the status of animals in order to improve welfare standards around the globe. The students participated enthusiastically in the event with very creative and innovative ideas showing true compassion towards animals.
5. An Anti-cracker Campaign was organised on the college premises on November 02, 2021. The event began by administering the Anti-cracker Oath. A lecture on 'Ill Effects of Firecrackers' was delivered by Dr Amanpreet Kaur from the Department of Environment Studies which initiated a healthy discussion among the students. The students participated in poem recitations and depicted their thoughts on the idea of eco-friendly Diwali.
6. World Earth Day was celebrated on April 22, 2022, in collaboration with the Environment Awareness Society of the college. BBC Earth documentary 'A Day in the Life of Earth' was screened for the students on this occasion.
7. A One-day field trip was organised to Siswan Dam and Nature Reserve, around 20 km away from Chandigarh, as a part of the practical work for Environment Conservation Elective students of BA I, II and III on April 13, 2022. It was a wonderful opportunity for students to learn about the ecological aspects of the Dam and its working. Students accompanied by their teachers also went for a trek to the adjoining Nature Reserve and marvelled at the bountiful nature amongst the forest. It was a thorough learning as well as a rejuvenating excursion for the students.
8. World Environment Week was celebrated from May 30 -June 05, 2022 and the students, teaching and non-teaching staff commuted to the college on bicycles.
9. Based on the theme 'Only One Planet' World Environment Day was celebrated on June 05, 2022 and activities like Nukkar Natak, Selfie with Plants and a RUSA sponsored two-day Capacity Building Mural Painting Workshop was organized in collaboration with the Department of Fine Arts on June 06-07, 2022.

POST GRADUATE GOVT. COLLEGE, SECTOR 46, CHANDIGARH

DEPT. OF ENVIRONMENT STUDIES

**Sub: Inauguration of 210 kWp Rooftop Solar Power Plant at
Postgraduate Govt. College, Sec.46, Chandigarh.**

Sir,

This is to inform you that it has been decided in consultation with Hon'ble Adviser to the Administrator, UT, Chandigarh that the above Rooftop Solar Power Plant shall be inaugurated by Smt. Kirron Kher, Hon'ble Member of Parliament, Chandigarh on 28th January, 2015 at 11.00 AM.

I take this opportunity to request you to grace this occasion and also pass on necessary instructions to the College authorities to clean up the area and make necessary arrangements in befitting manner. A small cultural programme in the honour of Hon'ble M.P. may also be organized in the Auditorium of the College.

Thanking you,

Yours sincerely,
