INSTITUTIONAL PROFILE

AN OVERVIEW

Nestled in the south of the City Beautiful, Post Graduate Govt. College-46 is a leading multidisciplinary institution of higher learning. Though it is just over three decades old, it has made rapid strides in academic excellence, both qualitatively and quantitatively. Evaluated by NAAC for Cycle-II accreditation with Grade 'A' and a CGPA Score of 3.04, in September 2015, it is an institute that prepares students to succeed as educators, leaders, and engaged citizens in an increasingly complex and diverse society.

A BRIEF HISTORY

The College was established by the government through affiliation with Panjab University as a College for boys and became functional on July 13, 1982. At the outset, it was housed in a building of the Govt. School, Sector 40, Chandigarh and was moved to its present spacious and sprawling new 11-acre eco-friendly campus in 1989. The foundation stone of the building was laid by the then Governor, Sh. S.S. Ray and the College morphed into a co-educational institute in the year 1992. At first, the College offered basic courses in BA (Humanities) and B.Com. However, it added new courses and streams over the years and leapt ahead with noticeable achievements. A UGC-sponsored vocational course in Advertising and Sales Promotion was added in 1997 followed by BBA in 1998; BCA and M.Com in 1999 and 2000 respectively. Adding new dimensions to the college profile, environment conservation was added as an undergraduate course of study in 2019.

DEFINING COMMITMENTS

CORE VALUES

This multi-faculty institution aims to provide inclusive education for inculcating human values, professionalism and scientific temper and to establish a community of scholars actively pursuing the acquisition, creation and dissemination of knowledge.

At the core of the College's educational philosophy, modern education and cultural heritage are complementary and help the students to become better citizens.

VISION AND MISSION

The motto of the College 'Light is Life' ignites the fire within, aiming at a comprehensive and value-based learning system for academic excellence, development of skills, character building and the holistic development of the students

- to provide quality education
- to nurture team spirit and instil a sense of discipline and responsibility
- to uphold and sustain the ideals, ethics and morality
- to sensitise youth towards comprehensive social concerns, gender and environmental issues
- to enrich the students with new ideas, concepts and debates for polishing their multifaceted artistic abilities and learning
- to bring forth mature and diligent citizens with pre-eminent qualities of head and heart and a sound grounding in history and culture
- to prepare the students to face the outside challenging world

ADMINISTRATION

The process of administering a large institution works through clear direction, proper execution of what is required to be done along with fair play in the exercise of the powers and responsibilities. The College as an institution stands out markedly in this regard.

The College has enrolled 2190 students out of which 679 are girls and 1511 are boys. There are 55 members of the teaching staff out of which 29 are regular and 27 are on contract, all of whom are highly qualified and dedicated. The total number of sanctioned posts of teaching staff is 59 (including the Principal) and that of non-teaching is 49. The library staff comprises 08 members (01 librarian, 03 restorers and 03 attendants and 01 peon). Dr Rajesh Kumar is the Dean, Dr Simmi Arora is the Vice-Principal and Dr Surinder Kaur is the Bursar of the College. Ms

Santosh Sharma and Ms Krishna are the Superintendent Establishment and Accounts of the College.

COURSES OFFERED

In its untiring quest for attaining excellence in education, the College has been working towards achieving its objectives as enshrined in its Vision and Mission. For us, each student is special and has the potential to excel in scores of special ways. The College offers undergraduate programmes in various disciplines such as Humanities (the students are offered a choice of 25 subjects in general and 08 subjects in the Honours course), Commerce, Business Administration and Computer Applications. The College also offers a Post Graduate Course in Commerce that serves as a platform to study principles of accounting, money & banking systems, and economic theory; provides knowledge about business, micro & macroeconomics, etc. and is also suitable for students who want to go for higher studies or do research work in the area of statistics & other related areas. Thus, all the courses of study offered here, have been framed with an endeavour to give full attention to alternative possibilities and comprehensive intellectual discourse to its students on the campus.

INFRASTRUCTURE

Our institution takes pride in its unassailable reputation as regards its cutting-edge infrastructural facilities. It has the unique distinction of a great campus infrastructure in terms of

I. CLASSROOMS

Our classrooms are aesthetically designed to inculcate a sense of discipline and induce high-quality learning. There are several lecture halls integrated with smart boards and well-furnished desks. With technological support, our skilled teachers guide each individual. The emphasis is on making every classroom session interesting plus interactive and thus the classrooms are designed to be compact.

II. THE COLLEGE LIBRARY

The College library supports the educational mission of the College with an unrelenting commitment to excellence. It acts as a locus of intellectual activity supporting the teaching, research and learning needs of the College. The library has been set up on a modernized platform. It caters to the intellectual as well as the general reading needs of its readers in an ideal and reader-friendly environment with the provision of an open access system.

Inside the Library: The library offers space for reading, curiosity and research; space for collaboration and learning. The audio-visual section of the library displays current information on various aspects related to health, career, religion, amazing facts and stress-free examination, etc. and other ephemera for effective and efficient utilization. Furthermore, a clipping file is maintained in the library in which news clippings related to the College are gathered from a variety of local newspapers.

Library Collection: The library continues to evolve, grow and adapt to the changing needs of its users with a special focus on supplying individualized assistance on a one-to-one basis to a diverse clientele of students and faculty in their quest for the acquisition and integration of knowledge. The College library boasts a collection of 47742 books, including textbooks, general books, reference books and a book bank; access to e-resources, including more e-journals and e-books) under the N-LIST programme; 22 Journals; 15 Magazines and 7 Newspapers.

III. AUDITORIUM

The state-of-the-art auditorium of the College reflects, like everything else here, the commitment to provide students with the best of conveniences. This air-conditioned auditorium is equipped with a full-fledged audio-visual system; a digital projection system and a seating capacity to accommodate around 750 persons; the College auditorium is the stage for several significant programmes throughout the year.

IV. MULTIMEDIA HALL AND SEMINAR HALL

The fully air-conditioned Multimedia Hall can accommodate up to 250 students and is regularly used for seminars, talks and lectures by external professionals. It has an LCD projector and is also used for screening film shows etc. The Seminar Hall, with its extensive meeting and conference space, offers unparalleled connectivity and is equipped with the best of the teaching and projection aids, they are a veritable visual treat.

V. ACADEMIC FACILITIES

Computer Laboratories: The College has three computer laboratories each with a capacity to accommodate 25-30 students. The networked systems are configured to allow individual internet access from all the computers. Students have extensive and free access to the internet for surfing as well as email.

Language Laboratory: There is a language laboratory that caters to the needs of the students of Functional English. The language laboratory Orell software allows a teacher to listen to and manage student audio, which is delivered to individual students through headsets. It encourages communication-student-teacher as well as student-student, with activities and exercises essential to oral communication and the understanding of the language.

Geography Laboratories: The two geography labs play a pivotal role in enriching the geographical base of a student- a necessary part of learning that exposes students to a full spectrum of disciplinary subfields-physical and human. The labs are well equipped with a series of maps, topographic sheets and a variety of survey equipment like a tracing table, thermometers, barometer, magnetic compass, electric globe, anemometer, wind vane and wet and dry bulb thermometers. CDs related to different topics are also kept in the lab. Geography laboratories specialise in the development of qualitative and quantitative research skills in College with exclusive ArcGIS 10.5 Software for doing geospatial analysis, cartography, Google/satellite imaging, toposheets, geo-referencing, digitization, interpretation and mapping.

Psychology Laboratory: The College has a psychological laboratory to train student-teachers in various psychological assessment techniques and acquaint them with the concept of standardised tests. The laboratory is equipped with different apparatus for conducting different psychological experiments.

Fine Arts Laboratory: Fine Art laboratory gives hands-on training to the students in the disciplines of Painting, Sculpture and Applied Art at the undergraduate level. It facilitates the students to do their practical work efficiently by providing all kinds of facilities.

Defence and Strategic Studies Laboratory: With a capacity to accommodate 15-25 students, this laboratory is used for conducting experiments and exercises related to different types of maps; depiction of strategic battles with the help of sketches and map reading exercises with the help of sketch models.

Environment Conservation Laboratory: This lab was set up during the previous session for its first batch of students. An empirical approach based on food purity, soil analysis, water analysis and air quality is followed and the students are engaged in examining the impacts of environmental degradation thereby enhancing their knowledge.

All these well-furnished and spacious laboratories have extended working hours enabling the students to work late hours. Laboratory safety rules and regulations/standard operating procedures are displayed in each lab to ensure that the laboratory is a safe environment for everyone.

VI. MUSIC ROOM

The music room is equipped with a wide range of instruments to facilitate the students in their practical work and hence equip them with skills of better coordination with different instruments. The students learn vocal and instrumental music and get a chance to perform at various college and inter-college functions.

VII. SPORTS ARENA

The sports facilities in the College include a large playground with all possible outdoor and indoor games facilities, a well-equipped indoor and outdoor gymnasium, Badminton Court, Football Ground, and a Ball badminton Ground, Volleyball Ground and Yoga Hall. Intensive training is imparted under expert guidance. Each year, students of our College achieve remarkable distinctions, and many of them are selected for All India Inter-university and National Tournaments. Facilities are provided for Athletics, Hockey, Table-Tennis, Volleyball, Kabaddi, Wushu, etc. Nevertheless, it is mentioned that to maintain high physical fitness and instil vital traits such as leadership, communication, and concentration skills an outdoor basketball court is being constructed on the college campus.

VIII. CANTEEN, JUICE CORNER AND TUCK SHOP

The canteen and the juice corner are hubs of out-of-class discussions and exchange of information. It provides snacks, drinks and lunch at subsidized rates. This year the canteen was retrofitted with new and bright furniture. A clean drinking water facility is also available on every floor of the College.

IX. CAMPUS FACILITIES

The College also provides facilities like the IQAC Office; Registrar Exams' Office; Office of the Foreign Students' Advisor; Public Relations Office; Administrative space; Principal Lodge; Herbal Garden; separate space for the office-bearers of the Students' Council; Enabling unit, ramp and washroom for the differently-abled; restrooms; 210 kWp rooftop solar power plant and parking facilities.

X. HEALTH AND WELLNESS CENTRE

The College has a well equipped Health and Wellness Centre. Established in 1984, it works actively to provide first-aid and medical care, as and when

required. The Campus Health Centre values confidentiality, respect, accountability, collaboration and trust. The Pharmacist is available during working hours for thermal screening, etc.

XI. ADMINISTRATIVE OFFICE FACILITIES

The administrative office of the College has impressively eye-catching and comfortable 13 cubicles with a computer facility to provide the right working environment to the subordinate office staff. Other facilities like LED TV with DTH service and a tea/coffee vending machine, automatic sanitiser dispensers, an electronic visual display screen to display or present electronically transmitted notices, information, images, etc. have also been installed in/ around the administrative block.

XII. AMENITIES FOR THE TEACHING STAFF

The college staff room has modern furnishings, automatic sanitiser dispensers, air-conditioners; internet facility; LED TV with DTH service, drinking water facility, a microwave, restroom with an automatic hand dryer, etc. 17 new pillar heaters, 04 new computers and 10 printers in the departmental rooms, placement cell, administrative office, etc., 23 public seating chairs in front of the administrative block and new fibre pots to enhance the decor were added during the session. These campus facilities play a pivotal role in improving the work efficiency of teachers.

XIII. UGC NETWORK RESOURCE CENTRE

The college has a UGC resource centre with 15 computers with a printer and an internet facility for the students studying here.

XIV. STUDENTS' COMMON ROOM

The college has established a spacious and comfortable common room with an attached restroom, automatic sanitiser dispenser and a sanitary napkin vending

machine for girls on the first floor of the main building. There is also a designated spacious and airy room for the boys.

These spaces are utilised by the students to relax, study and also to have informal discussions in the free time available.

XV. IT BLOCK

Construction of the new IT block on the college campus is in the offing.

XVI. CAMPUS SURVEILLANCE

The campus is CCTV-enabled to cater to the safety requirements of a well endowed and equipped campus receiving a huge footfall. More so, when used in conjunction with other security measures, CCTVs serve the purpose of ensuring accountability too.

PERFORMANCE AT A GLANCE

The College provides a moderate, vigorous and competitive environment, enabling the students to explore interests and create broader perspectives, higher self-esteem and essential life skills to enrich their overall learning experience. Despite the disrupted functioning of the institution to its full capacity, the previous session witnessed significant achievements, accomplishments and developments in the institution.

As part of the initiative undertaken by the college in assessing the institution's effort in delivering knowledge and exposure to the students, an online student exit survey was conducted during the session to evaluate the level of student satisfaction and placement in higher studies.

ACHIEVEMENTS OF THE FACULTY

The success of an institution, and the delivery of its strategic objectives, cannot be attained without its key resource – its staff. Our teaching faculty has always made an effort to update with the current trends and practices in various fields of studies and has also taken initiatives to keep themselves informed of the recent developments in research and innovation in their respective fields of expertise. The institution has always promoted research initiatives, projects, collaborative ventures, training workshops, webinars, short-term courses, faculty induction programmes, etc. for practical purposes.
