INSTITUTIONAL PROFILE

AN OVERVIEW

Nestled in the south of the City Beautiful, Post Graduate Government College-46 is a leading multidisciplinary institution of higher learning. Though it is just over four decades old, it has made rapid strides in academic excellence, both qualitatively and quantitatively. Evaluated by NAAC for Cycle-II accreditation with a Grade 'A' and a CGPA Score of 3.04, in September 2015, it is an institute that prepares students to succeed as educators, leaders and engaged citizens in an increasingly complex and diverse society.

BRIEF HISTORY

The College was established by the government through affiliation with Panjab University as a College for boys and became functional on July 13, 1982. At the outset, it was housed in a building of the Government School, Sector-40, Chandigarh and was moved to its present spacious and sprawling new 11-acre eco-friendly campus in 1989. The foundation stone of the building was laid by the then Governor, Sh. S.S. Ray and the College morphed into a co-educational institute in the year 1992. At first, the College offered basic courses in BA (Humanities) and BCom. However, it added new courses and streams over the years and leapt ahead with noticeable achievements. A UGC-sponsored vocational course in Advertising and Sales Promotion was added in 1997 followed by BBA in 1998; BCA and MCom in 1999 and 2000 respectively. Adding new dimensions to the college profile, environment conservation was added as an undergraduate course of study in 2019.

DEFINING COMMITMENTS

CORE VALUES

This multi-faculty institution aims to provide inclusive education for inculcating human values, professionalism and scientific temper and to establish a community of scholars actively pursuing the acquisition, creation and dissemination of knowledge. At the core of the College's educational philosophy, modern education and cultural heritage are complementary and help the students to become better citizens.

VISION AND MISSION

The motto of the College 'Light is Life' ignites the fire within, aiming at a comprehensive and value-based learning system for academic excellence, development of skills, character building and the holistic development of the students

- to provide quality education
- to nurture team spirit and instill a sense of discipline and responsibility
- to uphold and sustain the ideals, ethics and morality
- to sensitize youth towards comprehensive social concerns, gender and environmental issues
- to enrich the students with new ideas, concepts and debates for polishing their multifaceted artistic abilities and learning
- to bring forth mature and diligent citizens with pre-eminent qualities of head and heart and a sound grounding in history and culture
- to prepare the students to face the outside challenging world

ADMINISTRATION

The process of administering a large institution works through clear direction, proper execution of what is required to be done along with fair play in the exercise of the powers and responsibilities. The College as an institution stands out markedly in this regard.

The College has enrolled 2147 students out of which 725 are girls and 1422 are boys. There are 57 members of the teaching staff out of which 29 are regular and 28 are on contract, all of whom are highly qualified and dedicated. The total number of sanctioned posts of teaching staff is 63 (including the principal) and that of non-teaching is 49. The library staff comprises 08 members (01 librarian, 03 restorers and 03 attendants and 01 peon). Dr Rajesh Kumar is the Dean, Dr Baljit Singh is the Vice-Principal and Dr Surinder Kaur is the Bursar of the College. Ms Paramjeet Kaur is the Superintendent of the College.

COURSES OFFERED

In its untiring quest for excellence in education, the College has been working towards achieving its objectives as enshrined in its vision and mission. For us, each student is special and has the potential to excel in scores in special ways. The College offers undergraduate programmes in various disciplines such as Humanities (the students are offered a choice of 25 subjects in general and 08 subjects in the Honours course), Commerce, Business Administration and Computer Applications. The College also offers a Post Graduate Course in Commerce that serves as a platform to study principles of accounting, money & banking systems and economic theory; it provides knowledge about business, micro & macroeconomics, etc. and is also suitable for students who want to go for higher studies or do research work in the area of statistics & other related areas. Thus, all the courses of study offered here, have been framed with an endeavour to give full attention to alternative possibilities and comprehensive intellectual discourse to its students on campus.

THE COLLEGE LIBRARY

The College library supports the educational mission of the College with an unrelenting commitment to excellence. It acts as a locus of intellectual activity supporting the teaching, research and learning needs of the College. The library has been set up on a modernized platform. It caters to the intellectual as well as the general reading needs of its readers in an ideal and reader-friendly environment with the provision of an open-access system.

INSIDE THE LIBRARY The library offers space for reading, curiosity and research; space for collaboration and learning. The audio-visual section of the library displays current information on various aspects related to health, career, religion, amazing facts and stress-free examination, etc. and other ephemera for effective and efficient utilization. Furthermore, a clipping file is maintained in the library in which news clippings related to the College are gathered from a variety of local newspapers.

LIBRARY COLLECTION The library continues to evolve, grow and adapt to the changing needs of its users with a special focus on supplying individualized assistance on a one-to-one basis to a diverse clientele of students and faculty in their quest for the acquisition and integration of knowledge. The College library boasts a collection of 48229 books, including textbooks, general books, reference books and a book bank; access to e-resources, including more e-journals and e-books under the N-LIST programme; 21 journals; 24 magazines and 9 newspapers.

EDUCATIONAL TOURS AND TRIPS

We believe in laying equal emphasis on 'learning outside and inside the classrooms'. Organizing educational tours and trips is a regular feature of the institution as it adds variety into otherwise regimented lesson plans. Instead of spending every day in the classroom, students get to learn in a new environment with new instructors and participate in group activities. It also encourages good behaviour

and motivates students to work hard with the prospect of an educational trip looming as a reward - a time to unwind without the 'chalk and duster.'

Visit to Survey of India: A visit to Survey of India Complex, Dakshin Marg, Sector-32 A, Chandigarh, the National Mapping Agency of the country and the oldest scientific department of the Government of India was organized on February 28, 2023.
