

**POST GRADUATE GOVERNMENT COLLEGE, SECTOR – 46,
CHANDIGARH**

E-GOVERNANCE REPORT-2018-19

The following steps were taken during 2018-19:

Under the Chandigarh Administration's user-friendly governance scheme, the college has a 24x7 online and offline interface, the e-campus software which helps improve workflow and keep track of student data for improved management and action. Paperless information related to admission, fee, attendance, examination awards of Mid-semester exams term wise syllabus and annual activity planner of each of the departments, etc. was uploaded on the e-portal. Furthermore, using a comprehensive e-tool for Human Resource Management System, the digitized information of all the college employees concerning their salary details, GPF/CPF, Annual Property Return, filing of APAR, etc. was uploaded through the software in each employee's dashboard.

All procurement was initiated on GeM portal to ensure transparency and accountability in financial transaction.

The college library took membership of NDLI (National Digital Library of India) in December, 2018 for widening the academic horizons of students and faculty.

16 desktops computers were made available.
